March is National Ladder Safety Month

Every year, more than 300 people die from a ladder-related accident and thousands suffer from disabling and/or debilitating injuries. These deaths and injuries could be prevented with correct ladder use. Without proper training, we will continue to see far too many fatalities. That's why, UT Facilities Services is excited to participate and support this important initiative by offering new ladder safety training through American Ladder Institute. At the end of each March newsletter, we'll include a few resources to help keep you safe.

Annual Big Green Friday Scheduled for March 31

St. Patrick's Day may be over, but the Annual Big Green Friday event will take place Friday, March 31st this year as we help the Office of Sustainability kick off Earth Month! Big Orange Friday guidelines apply. A graphic is included at the end of the newsletter.

Helpful Hints from the Haberdasher

Please familiarize yourself with the Helpful Hints from the Haberdasher sheet. It provides valuable information on: 1) How to get your uniforms to follow you to your new work location on campus 2) get new sizes and 3) How to return your uniforms when leaving UT.

If you don't have a copy of the Helpful Hints, just email me at TheHaberdasher@utk.edu and I will be glad to send you a copy, or stop by my desk (at FSC upper lever, 2nd row from the windows). I have several copies clipped to the divider at the corner of my desk on the aisle way – help yourself to one.
