Apply today for UConnecT! Deadline is June 6

L&OD has announced the next opportunity to apply for the UConnecT Program. Applications are open now. The target audience of this leadership development program is “highly motivated non-exempt staff, who have at least 3 years of continuous service as of August 9, 2022. For more information, please see program website at <https://hr.utk.edu/uconnect/>.

Coffee & Conversation - Sign Up for June 7 event!

Join us for our second round of Coffee & Conversation as we seek to get to know team members you may not see or speak to on a daily basis. The event will be held Tuesday, June 7 from 8:30a-9:30a in Room 101 at the Facilities Services Complex. This is a fantastic chance for you to learn something new about others from different backgrounds and skillsets within the department. The best part? Donuts and coffee are included! The first event filled up quickly. Sign up today at tiny.utk.edu/FSCoffee. Flyer is included on page 10, and a separate email will arrive in your inbox this week.

Employee Training & Development:

Upcoming Training:

- On June 9, we are hosting Bicycle/Pedestrian Friendly Driver Training. The Bicycle/Pedestrian Friendly Driver Training will help to explain things like why cyclists “take the lane” and how drivers, cyclists, and pedestrians can all share the road. We discuss the various active transportation infrastructure seen around our community and how to navigate it, as well as the rights and responsibilities under the law of all transportation users. Lastly, our curriculum covers the most common collisions in our area and what can be done to help make our streets a better place for everyone. The training is conducted by Bike Walk Knoxville's qualified instructors, and is approved by the Tennessee Highway Safety Office. Please email Michelle Rios (mrios3@utk.edu), Training Admin, to get signed up. If you have questions, please contact Rebecca.

Training News:

- **2022 OSHA Training UPDATE** - There have been department-wide changes made to the required OSHA training for calendar year 2022. If you have already completed your OSHA training for this calendar year, please log into K@TE to verify that nothing has been added to your transcript. Almost every unit has seen changes to their training requirements and therefore almost every person still has training to complete. Please contact Rebecca at ralcorn@utk.edu should you have questions pertaining to your OSHA training.
- APPA has resumed in-person training! If you're interested, check out the link to learn more.
<https://www.appa.org/continuous-learning/aoc/>
- Are you a non-exempt staff member that has found training that you're interested in but need a little extra money to attend the event? Don't forget to use the Career Development Fund. You can qualify for \$150 each fiscal year for career development training. That's
