COVID - 19 Updates

Please be sure you are checking emails from Sam Ledford. To see the most recent COVID-19 briefing, visit <https://youtu.be/GJ3AHGLOfKY> if you missed any of the previous COVID-19 briefings, they can be found at the links located on page 4 under Communications & PR.

A Note from the Haberdasher

Oh No My Uniforms Don't Fit Anymore!

If your uniform no longer fits the exchange process is VERY easy, but involves a few steps to assure quick replacement.

1) Bag-&-Tag ONE item (1 shirt or 1 pair of pants or even one full set if both pieces needs to be exchanged). This means placing the item(s) in a clear bag with a yellow or orange tag that simply states the new size needed. For example: "Need 2X"

2) Just slip the tag between the bag and the garment so it can be seen from the outside.

3) Place bag in the short in the short mending bin.

4) Send an email to me: (jtolber3@utk.edu) telling me what you did and the size you need.

5) The supplier will deliver the full amount of new sized uniforms.

6) Once you have received the pieces AND they are correct AND fit, then, AND ONLY THEN, do you Bag-&-Tag the remaining uniforms! Since you have what you need the tag on these uniform simply needs to say "Not Needed". YOU CANNOT KEEP THE OLD UNIFORMS.

7) If you have ANY questions about uniforms please don't hesitate to contact me, Jim Tolbert, at 974-2347.

Upcoming Training:

- The make-up STRIDE for Staff for F&A training is scheduled for Tuesday, June 8 from 8:30 - 10:00. Employees who need to attend can register for this training in K@TE by searching in the upper right corner for STRIDE and then selecting the STRIDE for Staff training option. Register for the session for June 8. This training is a requirement for anyone serving on hiring committees. HR is checking to ensure completion of this training for those sitting on committees. This session is a make-up session for the 5/3 session that was canceled. Please contact Rebecca Alcorn at ralcorn@utk.edu with any questions.
- Are you interested becoming a more inclusive leader on the UTK campus? If yes, read on to learn more about the **University of Tennessee Inclusive Leadership Academy (UTILA)**! Learning and Organizational Development in partnership with the Division of Diversity and Engagement is proud to announce the 2021-2022 University of Tennessee Inclusive Leadership Academy (UTILA). UTILA is designed for exempt staff and faculty. The objectives are to embody the mission, vision and values of the University of Tennessee while reinforcing the leadership behaviors that are essential for advancing diversity and inclusion on our campus.

U – Utilizes a yearlong, intentional learning experience, equipping leaders with the knowledge, leadership behaviors, and support to effectively lead a diverse team and create cultures of inclusion.

T – Time with other driven and motivated professionals and subject matter experts.

I – Inclusivity is our focus and how we as leaders can grow in this area.

L – Live sessions which will facilitate a deeper understanding of leadership best practices.

A – Awareness-building through reading and reflection outside the live sessions and the entire cohort will develop a Capstone Project that will be designed to increase the inclusive culture on our campus.

Visit <https://hr.utk.edu/ut-inclusive-leadership-academy/> to learn more about UTILA and what is required to participate in this impactful leadership development opportunity. The application closes for submissions on June 21, 2021. If you wish to apply you can find the application here and complete the necessary steps. If you have any questions, please contact Learning and Organizational Development at lod@utk.edu.

- **FS Mini Train** - The most recent FS Mini Train can be found on our FS YouTube page at <https://www.youtube.com/channel/UCXKOW5Lbel8ouQBoYNvF5fQ>!

Training News:

- **Have you lost your badge? Need an updated picture? Contact the Training Team!** - If you lose your badge or need an updated photo, we would be more than happy to make a new badge for you. Any position changes will be communicated through Nikki and Hannah and a new badge will be created for you at that time.
- **Career Development Fund** - This program provides non-exempt staff and faculty the opportunity to receive up to \$150 per recipient during each fiscal year toward career development training. You can submit an application to the Career Development Fund for approval. Funding for this program is received by contributions through Big Orange Family and other similar campaigns. You can even use this fund to pay for the CAP exam which is not typically funded by the department. The one caveat is that your application must be in three weeks prior to your event.
- The 2021 Training Calendar is available online! Visit <https://fs.utk.edu/comminfo/training/> to view upcoming training dates, times and information throughout the year. The calendar is located below the "Login for online training" link. Check back often as new events and opportunities are added often!
- Your 2021 OSHA Training can be accessed at any time at <https://tennessee.csod.com/samldefault.aspx>. Sign in with your NetID and password. Then, click on "Your Transcript" and "Launch" to load the training. Your course assignments are all the same as they were for 2020, but instead of having each course assigned to you individually, you will have a training curriculum assigned. When you look at your transcript in K@TE, you'll see something like "Facilities Services: Training Group 1 – Office Staff" but it'll be specific to the group you're actually in. Just like you did with the campus compliance training, you'll open the curriculum and then complete each course inside the curriculum. You'll reach 100% completion when you complete every course within the curriculum.
- **External Training Completions** - If you participate in any training not done through K@TE, make sure you let Training (Rebecca, Anna and/or Beth) know so they
