Employee Training & Development:

Training News:

- **2022 OSHA Training UPDATE** - There have been department-wide changes made to the required OSHA training for calendar year 2022. If you have already completed your OSHA training for this calendar year, please log into K@TE to verify that nothing has been added to your transcript. Almost every unit has seen changes to their training requirements and therefore almost every person still has training to complete. Please contact Rebecca at ralcorn@utk.edu should you have questions pertaining to your OSHA training.
- APPA has resumed in-person training! If you're interested, check out the link to learn more.
<https://www.appa.org/continuous-learning/aoc/>
- Are you a non-exempt staff member that has found training that you're interested in but need a little extra money to attend the event? Don't forget to use the Career Development Fund. You can qualify for \$150 each fiscal year for career development training. That's money that you're not paying out of your pocket and your department isn't paying out of their budget!
